2. Ensure you wash your hands regularly and make use of hand sanitiser stations provided.
3. Maintain a minimum social distance of 2 metres from other guests and visitors who are not part of your group.
4. All bookings are in line with the Government Guidelines and the published roadmap. Please note these may change at any time.
5. Stay on your reserved table within your group and refrain from moving from table to table or around the main area of venue.
